Counsel,

We are prepared to make our document production, but it appears the Court has not yet entered a protective order governing confidential information. As a courtesy, and so as not to delay getting you the documents, we are willing to send them to you provided that you and your respective clients agree to maintain the documents as “attorneys’ eyes only” until we are able to make confidentiality designations pursuant to an entered order. Please reply with your confirmation and agreement, and we will send you the documents via email.

Best,
Caleb

Caleb,

Bret Bielema's counsel agrees to maintain the NEP's documents as "attorneys' eyes only" until you are able to make confidentiality designations pursuant to an Order entered by Judge Holmes.
